"Hail dear old Anthony

Hats off to you.

Ever you'll find us

Loyal and true.

Firm and undaunted

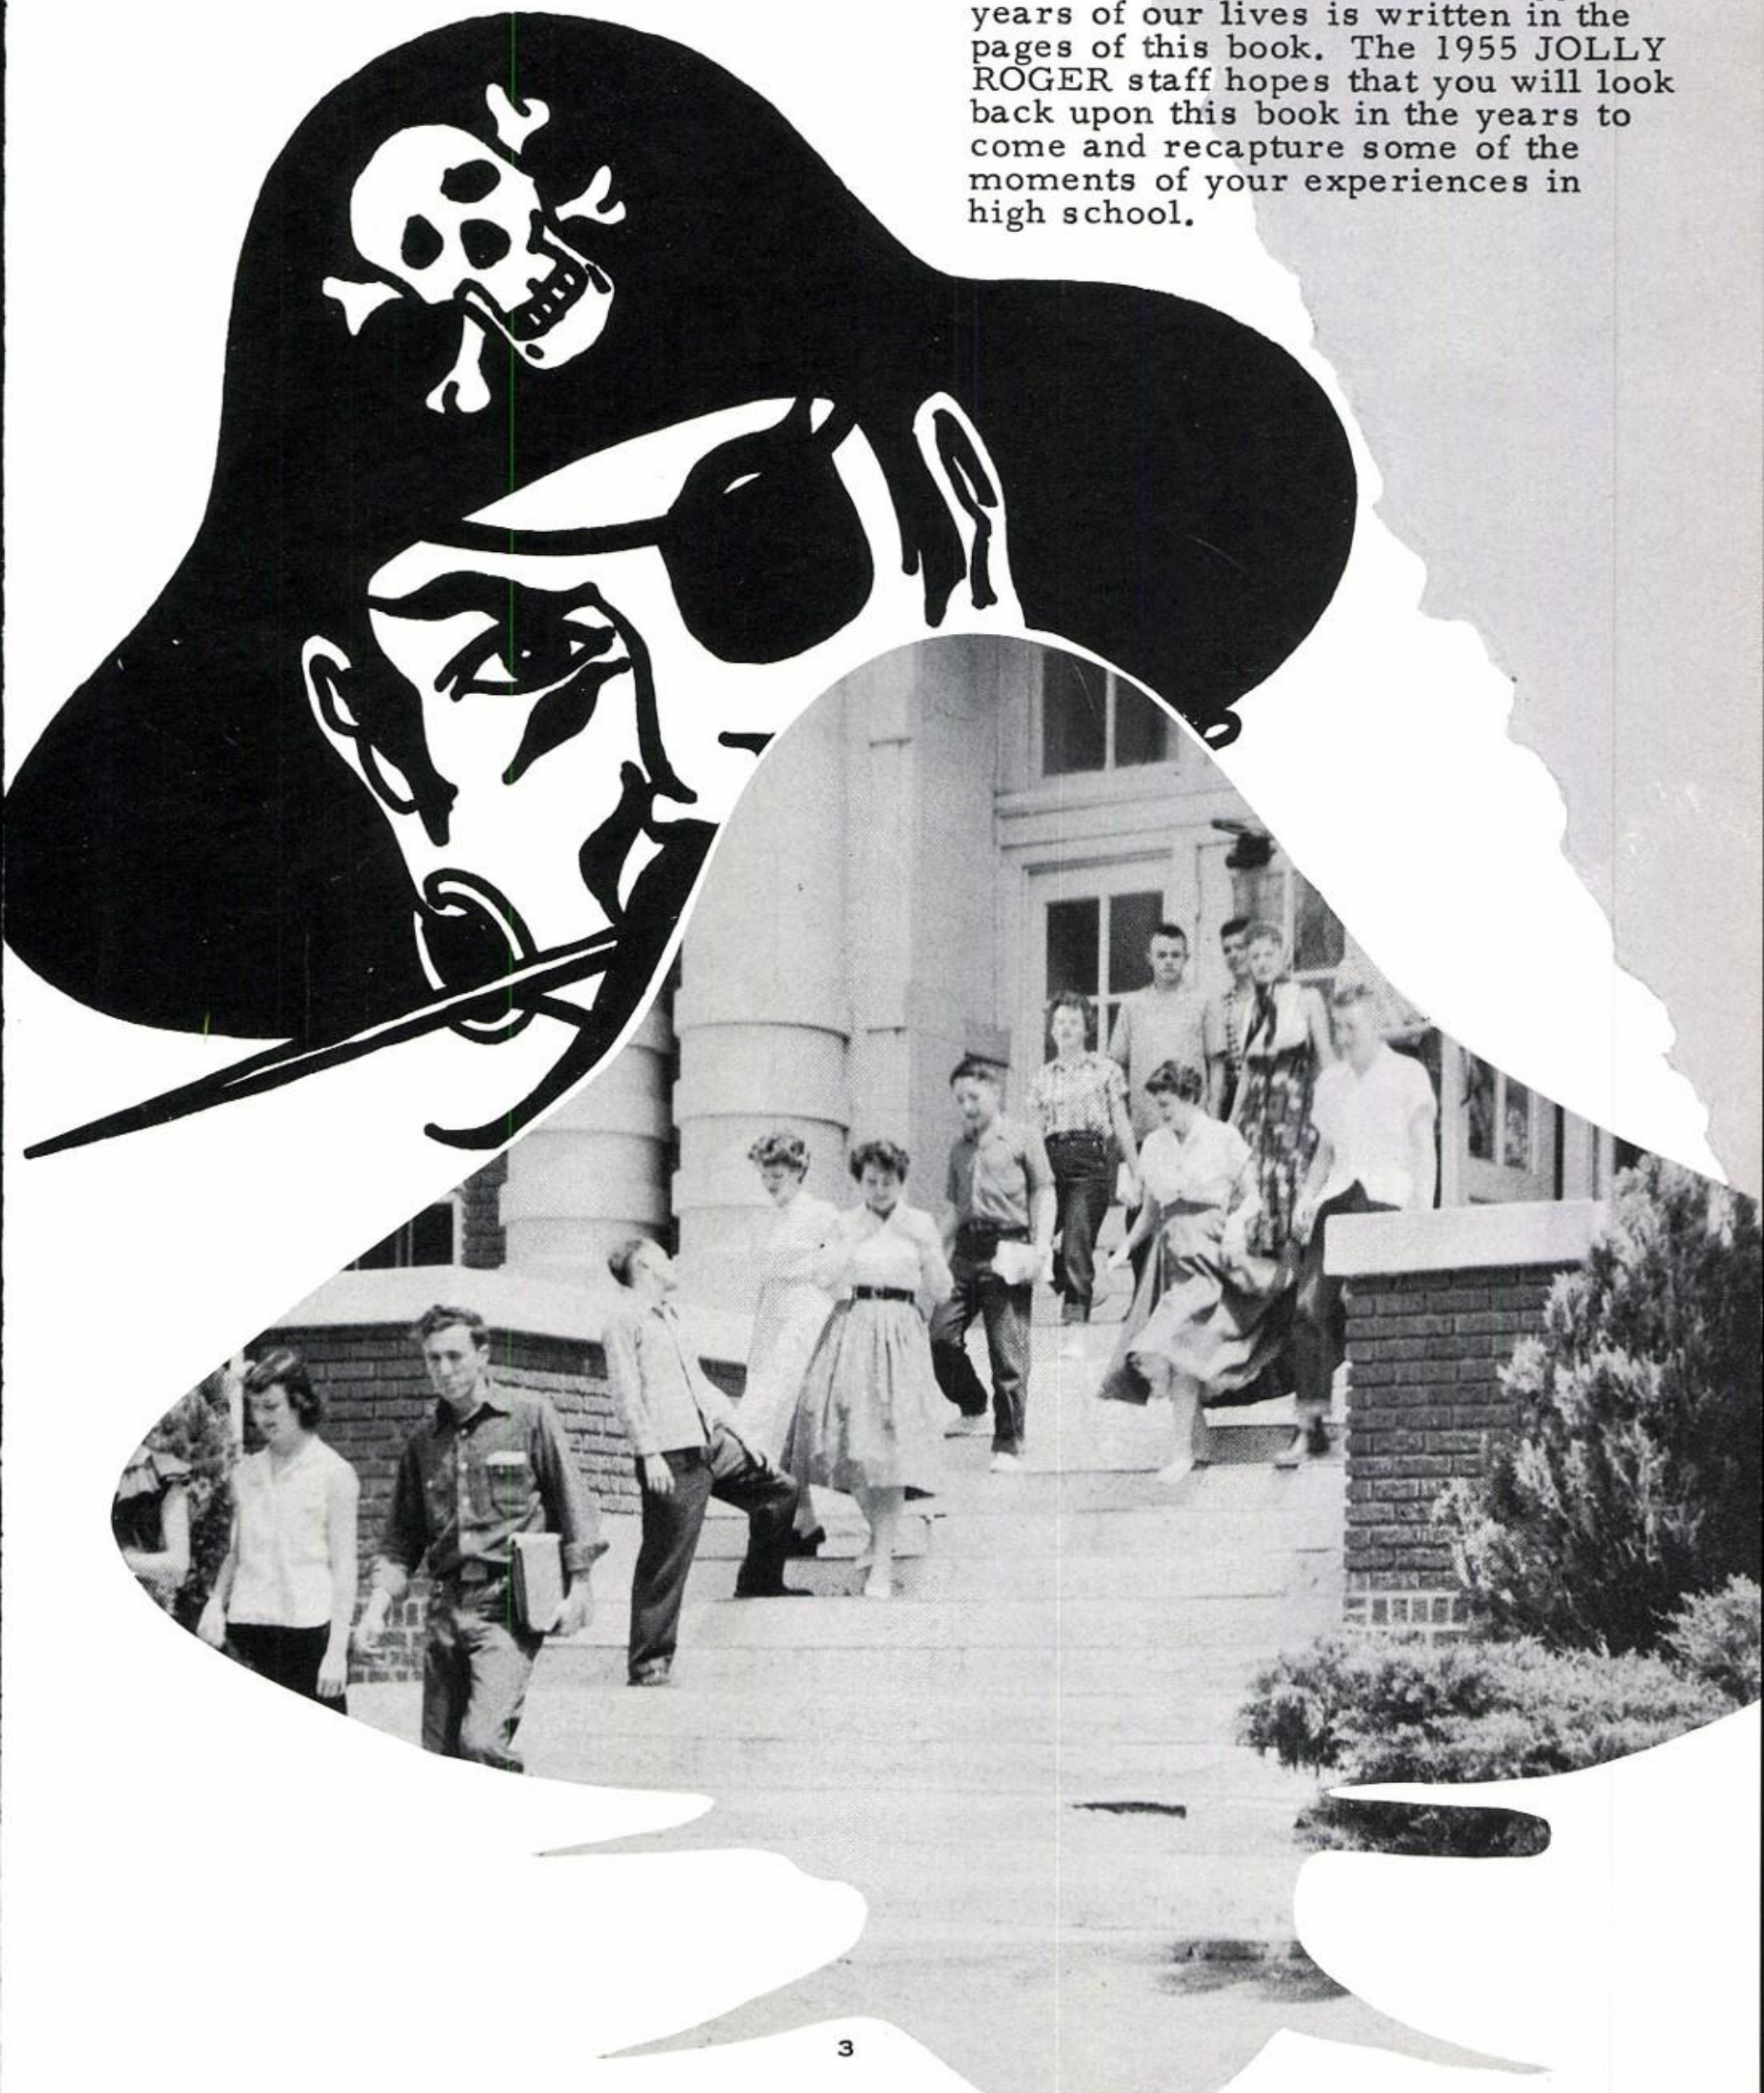
Always we'll be.

Hail to the school we love;

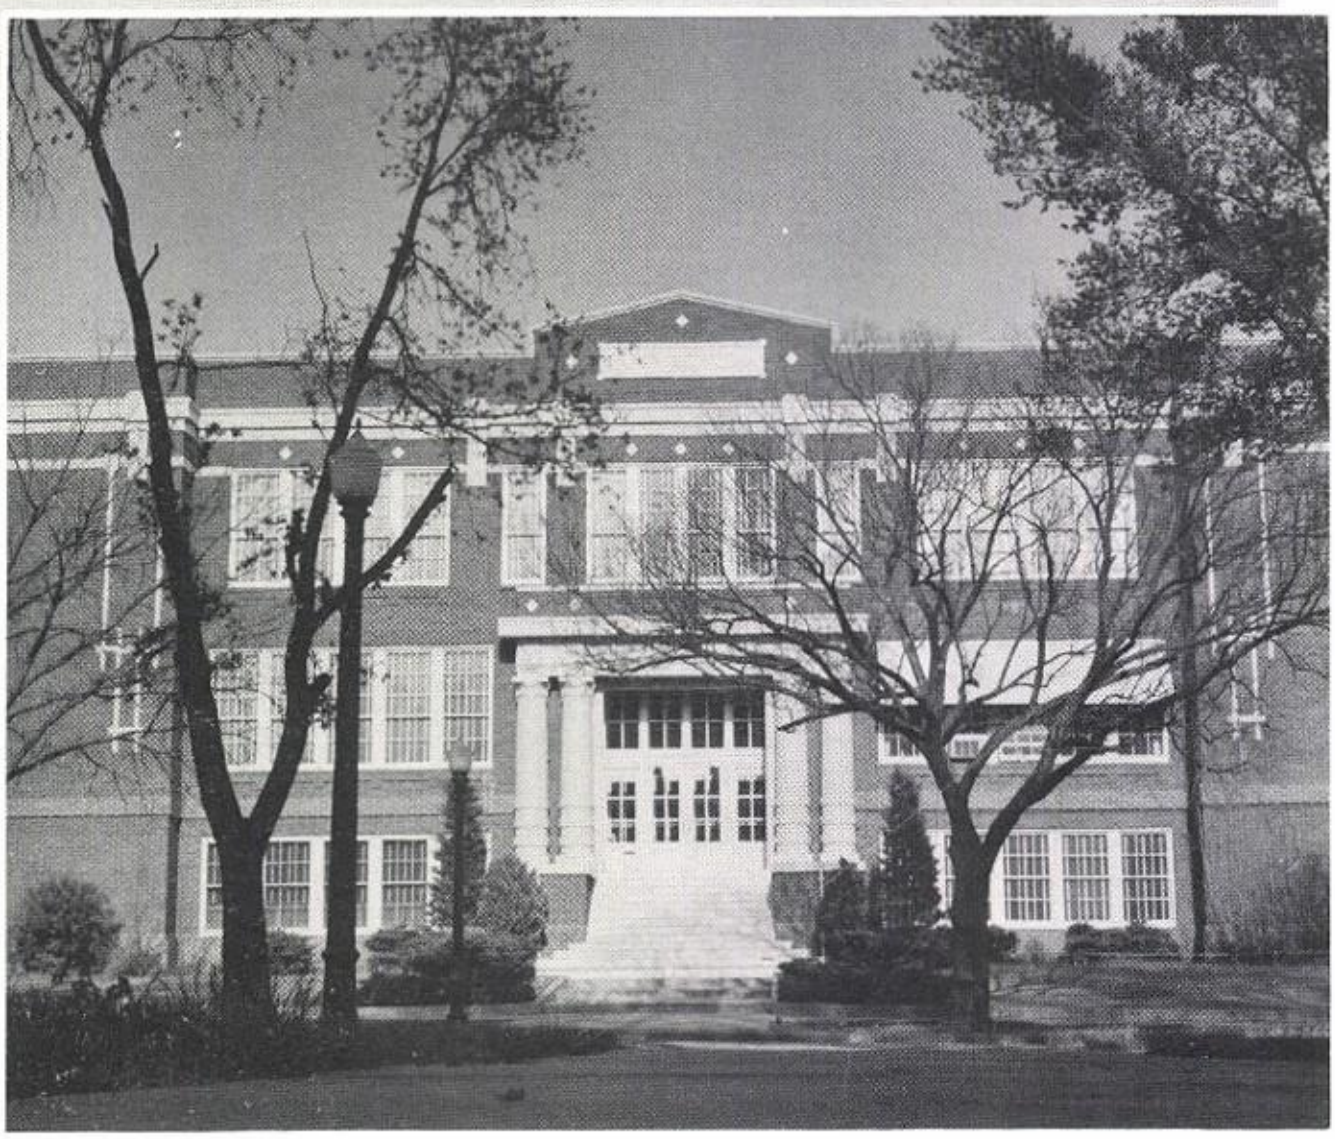
Here's a toast to thee."

Foreword

The story of one of the happiest years of our lives is written in the pages of this book. The 1955 JOLLY ROGER staff hopes that you will look back upon this book in the years to come and recapture some of the moments of your experiences in high school.



Dedication



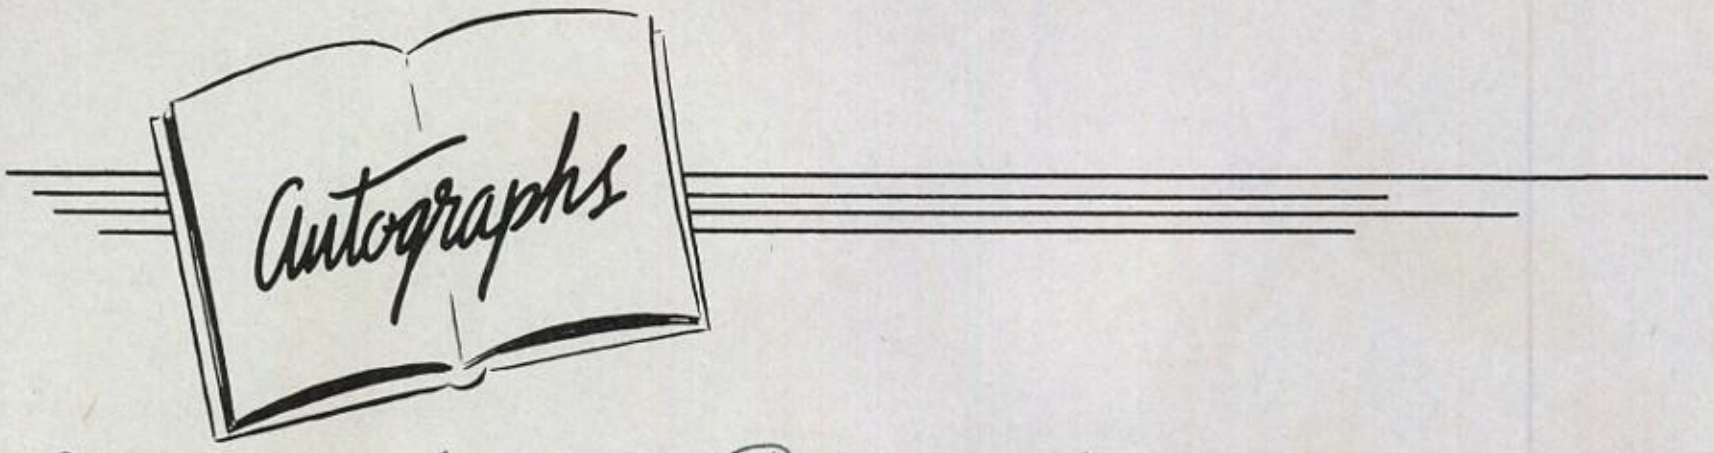
It may seem strange to some that we should make a dedication to a set of initials--A. H. S.

But after this year there will no longer be an Anthony High School under that name. Subsequent graduating classes will receive diplomas from Anthony Rural High School.

That makes us, the class of 1955, the last group who will graduate from A. H. S.

Therefore, we wish to dedicate this issue of the JOLLY ROGER simply to those three letters. They symbolize more than just a school to us. We shall always associate them in our minds with a situation, a time of life, and an experience of spirit which afforded us what may well be the most worthwhile, enjoyable, and unforgettable four years of our lives.

Administration



You are a fine girl, Pat, so please use your talents well. Babe Ruth.

Y-Teens

The Y-Teen Club teaches the way of Christian living and fellowship. A book sale, baby sitting, helping with the TB drive and chest X-rays, a clothing drive, programs for the student body, and Easter Sunrise Services were all a part of the many service projects performed.
